Business Equipment

**heavy-duty
paper cutters so
ruggedly built they
cut up to 300 sheets
at a time...**

Designed for advertising agencies, small print shops, duplicating departments, lettershops, photo finishers, insurance companies, banks, hospitals, schools, stationers!

accurately · safely · effortlessly

Homs precision-made Paper Cutters are inexpensively priced . . . yet are capable of the accuracy, dependability, and speed of "print-shop" equipment. High-grade tool steel blade maintains its keen cutting edge over long periods . . . may be easily sharpened or quickly replaced. Contoured lever handle is designed to require only a minimum of cutting effort on the full 11½" paper capacity. Micromove back guide assures accurate cuts on repeat jobs. Every HOMS feature . . . every precision adjustment . . . provides low-cost, professional quality cutting with a minimum of maintenance and expense!

Guaranteed for one year from date of purchase against all defects in parts and workmanship!

HERE ARE SOME EXCEPTIONAL FEATURES FOUND ON HOMS HEAVY-DUTY PAPER CUTTERS

1—Metal safety pull-out knob eliminates danger to operator. 2—Contoured handle and lever action requires only minimum cutting effort. 3—Micromove back guide and graduated scale for fast set-ups, accurate repeat cuts. 4—Sure-grip hold down prevents paper from creeping while cutting. 5—Wood grain Formica table surface; mar-proof rubber feet. 6—Horizontal blade arrangement assures correct alignment for perfect cuts. 7—Fast cutting stick changes are made with unique single screw slot plate.
